Paphs, Phrags, Trichopilias, Epidendrums and others - Seedlings

A new offering that lets you in on the ground floor of some of our best breeding. These are strong seedlings in 2.5 inch pots. Don't get asking if we have more seedlings of a cross that is blooming out and garnering awards or at least admiring glances in shows or on windowsills.

- Remember... "If it is not in our e-mail, it does not exist!" While this statement is not wholly true, e-mail is the best way to communicate with us, and it creates both an electronic and paper trail. We receive orders frequently and at busy times and during the show season, they can accumulate quickly. During these times, we do check our e-mail and it is easier for us to respond, then by phone. If you wish to call us, we recommend calling Friday to Sunday during normal nursery hours. Due to high volumes of unsolicited robo-calls (~ 10-20 per day), our answering machine fills up quickly. Our apologies.
- New Ordering Information - To place an order please send us an e-mail with the plants listed you wish to order. We will confirm availability via return we-mail and at that point will request shipping address and payment information. Credit card orders will be taken over the phone.
We will be glad to call you to get your credit card information.
- First come, first served. We strongly recommend making a reservation, well in advance, to prevent disappointment. As availability of some crosses or species may be limited, we welcome all inquiries concerning availability. Often there are more seedlings or flasks of sold-out items "on the way".

- After your order has been confirmed and "picked", we will e-mail an order confirmation to you. Please include your e-mail address in any correspondence. WE ACCEPT CREDIT AND DEBIT CARDS (VISA, MASTERCARD, AMERICAN EXPRESS AND DISCOVER) and continue to accept checks or money orders, made payable to "Woodstream Orchids". **You may call Bill's cell phone: 410-610-6697 to provide credit card information.** PLEASE PROVIDE DESIRED SHIP-TO ADDRESS.

- Maryland residents please include 6% sales tax.

- NO FOREIGN PLANT ORDERS AT THIS TIME! FLASKS ONLY

- As soon as possible, after receiving payment, we will pack and ship your order. Orders will be shipped in the order they are received, weather-permitting. We try to avoid shipping during periods of extreme hot and cold (either in your area or ours). There may be a significant delay during the busy show seasons (March - June, October - November).

- Plants may be shipped bare root or in pot. Especially large plants may be shipped bare root to protect the plants and reduce shipping cost. We recommend that plants be removed from flasks and shipped in insulated protective packing (domestic sales only). We will ship plants in flask but plants may experience some jumbling in transit.

- For domestic shipping via US Priority Mail, please include \$15 for orders under \$100 to be shipped to the eastern US and \$20 for orders shipped to the west coast. Due to increases in postal rates, we have had to increase our shipping fees. Especially heavy shipments of flasks or plants in pot or large boxes (that are charged a balloon rate) will be billed at cost.

- We guarantee safe shipping. From December 15 until March 15, only if Express Mail Service or FedEx Standard Overnight Shipping is used. These charges range from \$24-50, or more, depending on weight and box dimensions.

- Plants may be returned within 5 working days if not satisfied.
